Lisa Churchville spent most of her career in broadcast television with NBC/GE. Her career included sales and marketing positions stints in New York, Chicago and Philadelphia. She was promoted to President and General Manager of the leading television station in Providence. Throughout her career, Lisa has been an accomplished public speaker, facilitator, and spokesperson.

After retiring from broadcasting, she went into government service as the Director of College Bound Saver, the Rhode Island 529 plan. She also taught Business Management at Showa University, a Japanese women's college with a Boston campus.

Lisa is a graduate of Barnard College and Harvard Business School. She lives with her husband, Alex Carlin, in Wakefield Rhode Island. They have two adult children.
